BERKSHIRE HDP High Definition Porcelain

Berkshire^{HDP} by Florida Tile evokes the history and romance of the rugged yet refined American Northeast. Rich colors and an intricate surface texture give it the look and feel of reclaimed lumber that has already withstood a lifetime. The character of historied timbers shows through with every plank. Using our proprietary HDP – High Definition Porcelain® printing, we create an amazing wood look that is almost indistinguishable from the real thing.

A color palette named for five wood varieties: Oak, Hickory, Olive, Walnut, and Maple encompass the majestic beauty of

old growth forests. The tight grains, tone variations, and natural inconsistencies of real wood are precisely replicated. Available in 6x24 and 8x36 pressed planks, 12x12 parquet mosaics, and a 3x24 bullnose, this color body porcelain floor and wall tile lends rustic charm to any space.

Berkshire^{HDP} is appropriate for most applications in both residential and commercial settings. It is entirely made in the USA in our Green Squared® certified Advanced Manufacturing Center in Lawrenceburg, KY. It contains pre-consumer recycled content and is GREENGUARD® and Porcelain Tile certified.
