High Definition Porcelain<sup>®</sup>

shown on front: **DIV20 12x24** Horizon & **DIV55/M4x4HEX** Hexagon Mix Mosaic

Michelangelo said, "The true work of art is but a shadow of the divine perfection."

Divinity<sup>HDP</sup> by Florida Tile takes artistry to another level. Distinguished by a rich surface of captivating veining, delicate striations, and subtle imperfections of natural stone, this color body porcelain floor and wall tile exceeds even the highest expectations. Inspired by one of the last slabs of Angel Stone extracted from an exclusive quarry in the Italian Alps, Divinity<sup>HDP</sup> is our interpretation of the divine beauty found in this rare and beautiful sandstone.

Four ethereal colors: Dawn, Dusk, Horizon, and Mist, range from a mixture of soft warm beiges, calm grays and taupes to a dramatic cool dark gray. All feature multi-hued veining and distinct shade variations throughout. Available in 12x24 and

24x24 rectified formats, this majestic stone look is enhanced with an accomplished collection of 25-piece and random stack mosaics in each color, and a mixed-color hexagon mosaic that incorporates all four colors. A bullnose trim completes this exquisite collection.

Manufactured using proprietary HDP—High Definition Porcelain<sup>®</sup> printing technology, Divinity<sup>HDP</sup> is appropriate for most applications in both residential and commercial settings. It is entirely made in the USA in our Green Squared<sup>®</sup> certified Advanced Manufacturing Center in Lawrenceburg, KY. It includes pre-consumer recycled content and is GREENGUARD<sup>®</sup> and Porcelain Tile certified. Incorporated into the tile surface is Microban<sup>®</sup> antimicrobial technology that works continuously to inhibit bacteria growth, improve visible cleanliness, and reduce odors.

## Typical Uses

Divinity<sup>HDP</sup> color body porcelain floor and wall tile is appropriate for most residential and commercial wall, countertop, backsplash, and floor applications.

Notice: Not all flooring products are suitable for wet areas, specialized applications, or commercial use. Please refer to the American National Standard Specifications for Ceramic Tile (ANSI® A137.1) for ceramic, stone, and glass installation for specific usage and installation information.

This Florida Tile product will contribute to USGBC LEED® points and the ANSI® approved NAHB® Green Building Points.

## Color Variation

**V3 Moderate  
Variation**

Color, texture, and finish variations may occur due to the nature of the product.

## Notes:

Country of origin and other product features and characteristics are subject to change due to manufacturing efficiencies and other factors. See retailer or product packaging to verify country of origin and other product characteristics.

Color reproductions in this printed piece may vary from actual tile colors. Final selection should be made from actual tile samples.
